

2007 Waterdog Tournament #3
Walleye Team
June 2nd & 3rd
St Louis River, Duluth, MN

Tournament Times:

Saturday, June 1st – 10:00 A.M. – 7:00 P.M.

Sunday, June 2nd – 6:00 A.M. – Noon

Where is the Landing?

All boats are to be launched at the Willard Munger Landing, which is located on Clyde Avenue which just north of Spirit Lake (this is the same landing we used last time). You have to take Highway 23 or Grand Avenue south out of Duluth off Highway 35

Guidelines and rules as follows:

- This is a 2 day, team walleye tournament.
- Twelve (12) fish limit for Saturday & six (6) fish limit for Sunday
- Mandatory catch and release policy in place. Any kept fish disqualifies you for the day.
- 2 lines per person can be used.
- Live bait is allowed.
- Minimum length is 14”.
- Slot limits are not in effect.

Special Notes:

- We will be fishing Coast Guard regulated waters. As such, boaters need to have the following on board: fire extinguisher, paddle and life jackets (there may be additional requirements?).

- There are several bays on the river which require a Wisconsin fishing license. These waters are off limits during the tournament. All other waters reachable from the landing are fair game.

Accommodations:

(Please refer to the Waterdogs Only Private Web Site for accommodation information)

Food: Boat partners should arrange for bag lunches for Saturday during the day. We have made reservations for dinner on Saturday night at the Black Woods Bar & Grill located 1.11 miles north of the Red Roof Inn on Boundary Avenue which is connected to the American Inn where we stayed last time. Breakfast will be available at the Red Roof Inn on Sunday morning (we have to remind them that to put it out early for us)
